

# SAVE THE DATES FOR IS SERVICE!

2017/18 Schedule of Second Story Service Learning Events

**Intermediate School students at Potomac School host young children from Second Story on four Fridays after school throughout the school year providing a great service learning opportunity to make friends and have fun.**

[Second Story](#) (previously named Alternative House) helps young people reach their full potential. Our longstanding partner runs several neighborhood based community centers that provide a safe haven and enriching experiences for local youth in Northern Virginia. The centers in Culmore, Springfield and Annandale offer a nurturing after-school environment to do homework, play, learn, and go on field trips.

Plan ahead and save the dates to engage with our buddies from Second Story!

**Friday, October 27**
